

HL/cmm-c/proposed admiss 2011 dec 09

18 December 2009

Dear Parent / Guardian

Now that Samuel Ward Arts and Technology College has become a Foundation School, it must publish its own Admission Policy. Attached is the schools proposed policy for Admission in 2011, which is the first Policy that our Governing Body must determine. The policy is virtually the same as that used by all Suffolk Local Authority schools, and the Local Authority will continue to administer the Admission process on behalf of Samuel Ward Arts and Technology College.

The consultation period for your views on the proposal finishes in February 2010. Any comments or observations should be forwarded to the school in writing to arrive on or before 28 February 2010.

Yours sincerely

Howard Lay
Headteacher
